Through self-discipline, it is expected that attending students will maintain a high level of appropriate conduct within the program and our community. “the Rec” After School Program is provided by the city to the Gulf Breeze community for our middle school students to have a place to go at no cost after school. Thank you in advance for your continued support of “the Rec” After School Program.

The following Code of Conduct contains a listing of infractions but is not intended to be all-inclusive since no list of behavior can be. It is also intended that the Director of Parks and Recreation along with the Recreation Supervisor have the power to administer discipline for any other offense which is in violation of what is deemed acceptable standards of conduct for attending students. The code of conduct will be applied equitably without regard to race, religion, color, origin, gender, physical or sensory disability or any other distinguishing characteristic.
